

## Sharing your photos with Social Networks

At any time you can share photos, galleries and collections on popular social networks.

Additionally you can share a slideshow that will open in a new window.

## Sharing Photos, Galleries and Collections in Visitor View

Navigate to the photo, gallery or collection you would like to share.

1. Click **Share** in the top, right corner of the page next to the **Buy** button. A pop-up menu will open.
2. Click the **Facebook** or **Twitter** icon next to the item that you would like to share. A pop-up window will load to share through Twitter or Facebook.

The screenshot shows a Zenfolio gallery page for 'Jae Le'. The page includes navigation links like 'Home', 'All My Photos', and 'Recently Added'. A 'Share' button is highlighted with a red circle and the number '1'. A pop-up menu is open, showing options to share the gallery, slideshow, or photo. The 'Share' button for the gallery is highlighted with a red circle and the number '2'. The pop-up menu also includes a section for 'Direct Links to Images' with various thumbnail sizes and a 'Public access to these links is protected' warning. At the bottom of the pop-up, there are 'Open in E-mail' and 'Close' buttons.

Note: If you are not logged in to your Facebook or Twitter account you will be prompted to login
