

Sharing your photos with Social Networks

At any time you can share photos, galleries and collections on popular social networks.

Additionally you can share a slideshow that will open in a new window.

Sharing Photos, Galleries and Collections in Visitor View

Navigate to the photo, gallery or collection you would like to share.

1. Click **Share** in the top, right corner of the page next to the **Buy** button. A pop-up menu will open.
2. Click the **Facebook** or **Twitter** icon next to the item that you would like to share. A pop-up window will load to share through Twitter or Facebook.

The screenshot shows a Zenfolio gallery page for 'Jae Le'. The page includes a navigation bar with 'Home', 'All My Photos', 'Recently Added', 'Featured', 'Search', 'Guestbook', 'About', and 'Contact'. The main content area shows a photo gallery with a 'Buy' button and a 'Share' button. A red circle '1' highlights the 'Share' button. A pop-up menu is open, showing options for 'Gallery', 'Slideshow', 'Photo', and 'Direct Links to Images'. The 'Photo' option is highlighted with a red circle '2'. The pop-up menu also includes a 'Public access to these links is protected' warning and a 'Close' button.

Note: If you are not logged in to your Facebook or Twitter account you will be prompted to login
